2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Continuation of 4. E. Other:

In response to a restriction or election of species requirement and any subsequent amendment, any claims which are non-elected must have the status identifier (withdrawn).

As an aside, Examiner Oropeza and Mr. Dinesh Melwani are also working on another similar case, 10/840,511. The Examiner has recently responded to Mr. Melwani's election associated with 10/840,511. The Examiner found a number of the claims submitted as reading on the elected species did not read on the species when the claim language was compared to the specification associated with 10/840,511. The Examiner would be most appreciative if Mr. Melwani would make sure the claims he submits as reading on the elected species in the 10/762,513 application do in fact read on the elected species.
